PREZ SEZ

By PAST PREZ SEZ by Yolanda C. Jones, C.P.M.

Serving in the capacity as President of NAPSM has been a very rewarding experience for me personally and professionally. It has been a pleasure to work with the Officers and Board of Directors, Executive Director, and the various Committee Chairs throughout the year. Reflecting on the past couple of years, we (all members of NAPSM) have been fortunate to have such a professional and dedicated group of volunteers that promote professional growth and activities to meet the goals and objectives of NAPSM. I want to express my deepest appreciation for all the support you gave me during my two-year term as President. As a result of your dedication, we continue to have a very successful affiliate, which offer the following to our members:

- Low Cost Affiliate
- Best in Class C.P.M. Study Program
- Promote Educational and Satellite Seminars
- Successful Supplier Recognition Program
- Successful Supplier Opportunity Faire and Outreach to Minority Suppliers
- Awards Recognition for our Members
- Scholarship Opportunities
- Networking Activities and Meetings
- Leadership Training

A special thank you to Terry Felix (outgoing secretary) and Lucille Henderson (outgoing Marketing Chair) for all their work and dedication to NAPSM during their tenure on the Board of Directors. You will be missed!

Congratulations to the new Officers and Board of Directors (posted on the website)! As I turn the gavel over to your new President, Chris Prather, I want to wish you all the best in your new positions and assignments and continued success. I look forward to working with all of you as I complete my term as a member of the Board of Directors.

Following are the highlights for this year's ISM Membership Recruitment Campaign titled "Lead by Example":

- The affiliate with the highest increase in membership during the campaign – as well as the winner of the random drawing of those that increase their membership by at least 15% - will have their choice of winning a two-day seminar **or** \$1,500 of ISM educational resource materials!
- On the individual level, each member that recruits at least one new member will receive a limited edition ISM compass.
- For the first time, there will be **cash rewards** given, in the amounts of \$100, \$200 and \$300 (depending on the recruitment level reached).
- The member that recruits the highest number of new members will be awarded a handheld, wireless device **and** a trip to the 2006 Annual International Supply Management Conference & Educational Exhibit in Minneapolis, Minnesota.
- Also new this year is a feature which allows members to log their recruits directly through the Members Only area of the ISM Web site. Paper forms, while still available for those who wish to use them, are no longer needed.
