NAPM-Southern Nevada is burning up! We have just completed another EXCELLENT event! The E-Commerce Mini-Conference was great. There were 68 attendees with participants from Alabama, Arizona, Northern California and Southern California! The speakers were excellent! Thank you all for attending. It was very informative and well presented. Especially, a big thanks to Greg Herlean for his "Herculean Efforts" in putting the conference together. Thank You, Thank You, Thank You!

NAPM-Southern Nevada is also very well represented in the new National Governance structure. Here are the appointments received by members of our affiliate. Congratulations to each of them.
